

# **BAE** BRIGADE HOMZ ELEVATORS

Enhance Your Comfort

## ABOUT US

We introduce ourselves as Brigade Homz elevators. Hydraulic / Traction / MRL Passenger and Goods Elevators are being supplied, installed, commissioned and maintained by us. Brigade Homz elevators with its strong technology base and support network today committed to serve the elevator market with a sense of devotion and services. Our servicing facilities are fully geared up, to face any challenges.

Brigade Homz elevators are able to provide prompt after sales support to all our Customers by monitoring on a regular intervals, ensuring total customer satisfaction and peak equipment efficiency.

Brigade Homz elevators assure you of high degree of reliability and quality ultimately leading to your utmost satisfaction. We have been registered as approved vendors for the Design, Supply and Installation of Elevators & Elevator Products.

## PROFILE

With technology we make elevators a jerk-free, vibration-free, and smooth ride with minimal break downs.

Ask the experts at Brigade Homz Elevators a brand that stands for outstanding product and quality and innovative technologies for a Better life building. Brigade Homz people are virtually grown up by learning the nuts and bolts of everything that has to do for a superior customer satisfaction for over a period of 5 years.

Brigade Homz Team has experience of more then 5 years in the field of installation, modernization and maintenance of elevators, by utilizing advanced technology.

## OUR MISSION

- ✦ To provide safe lift operation and customer friendly Services by continuously improving the operational effectiveness.
- ✦ To build and drive an organization of high values in delivering performance as one of the top priority.

## OUR VISION

- ✦ To be the largest selling elevators manufacturing company beyond boundaries by adhering to the world class standards.
- ✦ Ensuring high quality services with integrity, transparency accountability, safely and deliverability as top priority to all those who come along trusting our values.

## Automatic Imported Designed Glass Doors

Brigade Homz using imported design with scratch proof sheets

### Features

- ❖ Smooth & Silent Operation
- ❖ Scratch Proof design sheets
- ❖ Eye-catching transparent Doors to your lift car.
- ❖ Easy Maintenance
- ❖ Door Closing Force Can be Easily Adjustable
- ❖ Variable voltage & Frequency Inverter Gives A Smoother Operation With Variable Acceleration Opening.
- ❖ Infrated Barrier For Safety of the Passengers

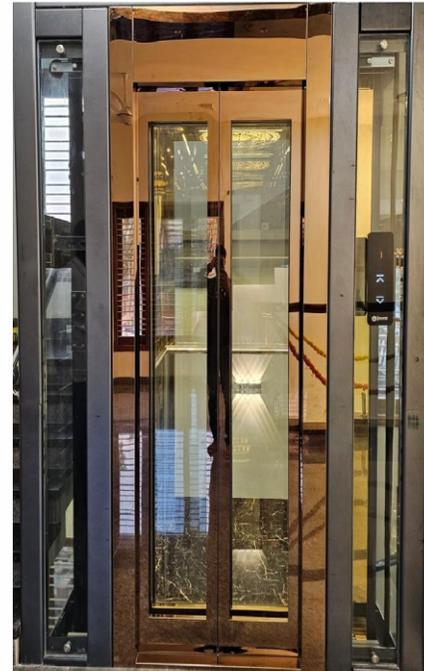

### Glass Doors

SS Mirror Glass Door

Gold Mirror Glass Door

Rose Gold Mirror Glass Door

Black Mirror Glass Door

## Automatic Import Doors

Brigade Homz using German Technologies door by using the high quality of raw materials.

### Features

- ❖ Smooth And Silent Operation
- ❖ Very Few Mechanical Parts, Resulting Minimum Breakdown
- ❖ Easy Maintenance
- ❖ Door Closing Force Can be Easily Adjustable
- ❖ Variable voltage & Frequency Inverter Gives A Smoother Operation With Variable Acceleration Opening.
- ❖ Infrated Barrier For Safety of the Passengers

### Door Finishes

**Gold Mirror Design Door**

**Half Vision Glass Door**

**SS Telescopic**

**Small Vision Glass Door**

## Premium Car Interiors

- ✧ Design of the CABIN Frame is made on the basis of finite element analysis, and structural member is made by bending the plate.
- ✧ CABINS available in Standard SS, Designer SS, Mirror SS, Gold Finish SS & Ful Glass Cabin.
- ✧ CABIN available for application : Passenger Lift, Car Lift, Stretcher Lift, Home Lift & Goods Lift.
- ✧ Variety of False Ceiling Designs are available, and the decoration of elevator cabin is concise and vivid.
- ✧ Designer Flooring (Optional).

**BHE - 01**

**BHE - 02**

**BHE - 03**

**BHE - 04**

## Standard Car Interiors

With our highly specialized knowledge and Vast Experience we provide our clients with the most qualitative range of Stainless Steel Lift Cabins. Our proficient technicians design these cabins in custom-built sizes to meet the specifications and requirements of our clients in an effective manner.

- ❖ CABIN available for application : Passenger Lift, Car Lift, Stretcher Lift, Home Lift & Goods Lift.
- ❖ Variety of False Ceiling Designs are available, and the decoration of elevator cabin is concise and vivid.
- ❖ Designer Flooring (Optional).

**Powder Coat - Colours**

- 1. Oxford Blue Glossy
- 2. Classic White
- 3. Milky White
- 4. Cherry / Wine Red
- 5. Golden Yellow
- 6. Pink Glossy
- 7. Steel Gray Satin
- 8. Ivory Glossy
- 9. Brilliant Green Glossy
- 10. Orange Glossy
- 11. PO Red Glossy
- 12. Rubine Pink Glossy
- 13. New Moon Glossy
- 14. Light Blue Glossy
- 15. Deep Blue Glossy

## MACHINE ROOMLESS (MRL) LIFT SYSTEM

## BRIGADE HOMZ GREENRUN

We take much from nature. Let's give a bit.

The Permanent Magnetic Synchronous Motor (PMSM) technology adapted in manufacturing Brigade Homz Greenrun is a result of BRIGADE HOMZ foresightedness towards a better tomorrow. This system generates negligible noise, has a compact size and a light weight modular design making it a contemporary choice, while the technology reduces power consumption\* by generating high torque at lower RPM.

\* as compared to traditional geared traction motors.

ENERGY SAVING  
UPTO 40%

NO MACHINE ROOM

GEARLESS

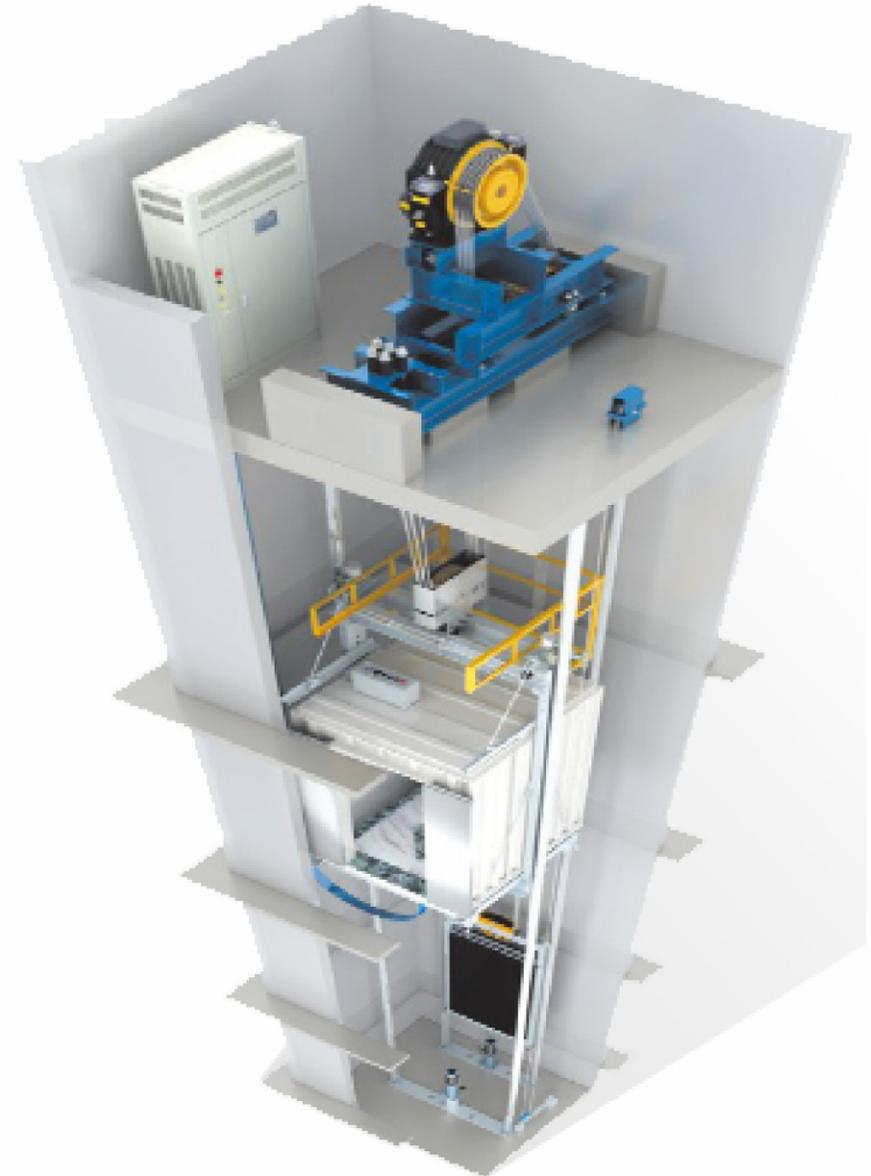

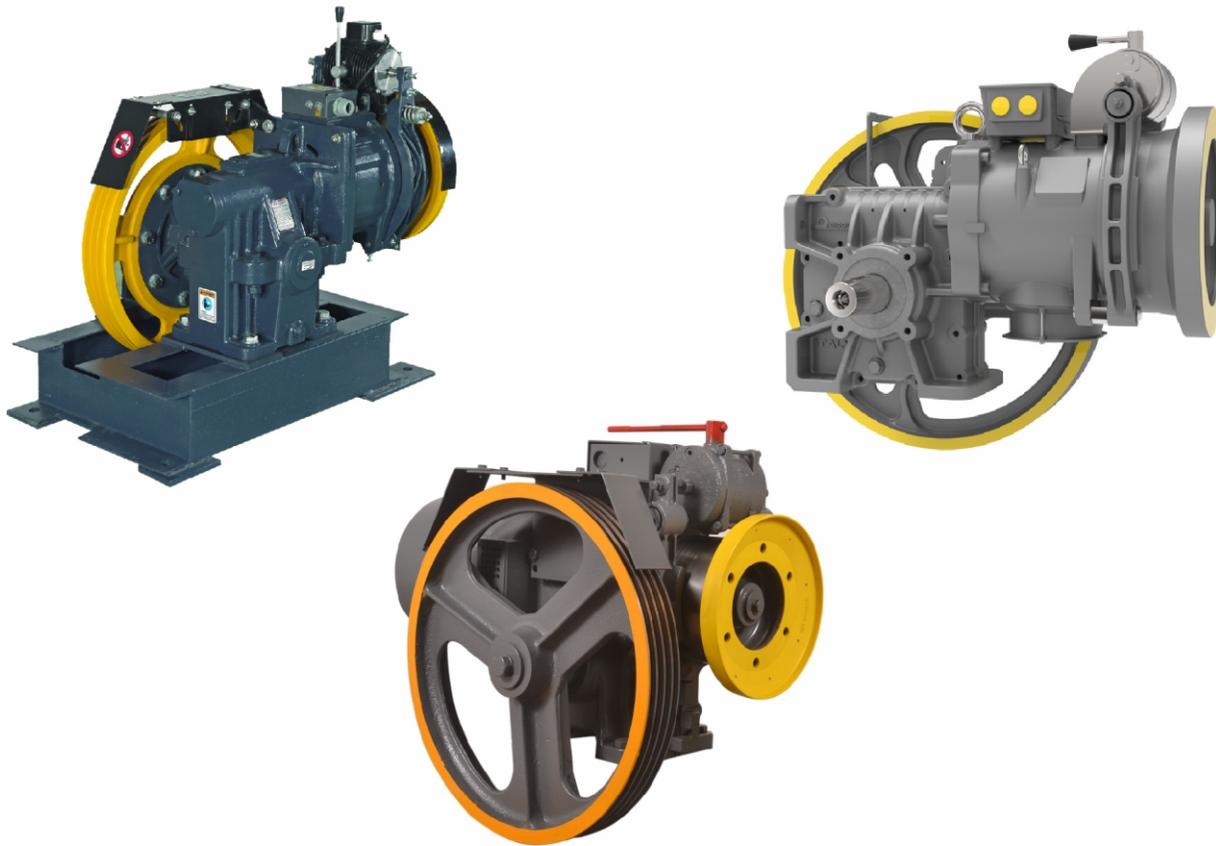

LOW NOISE

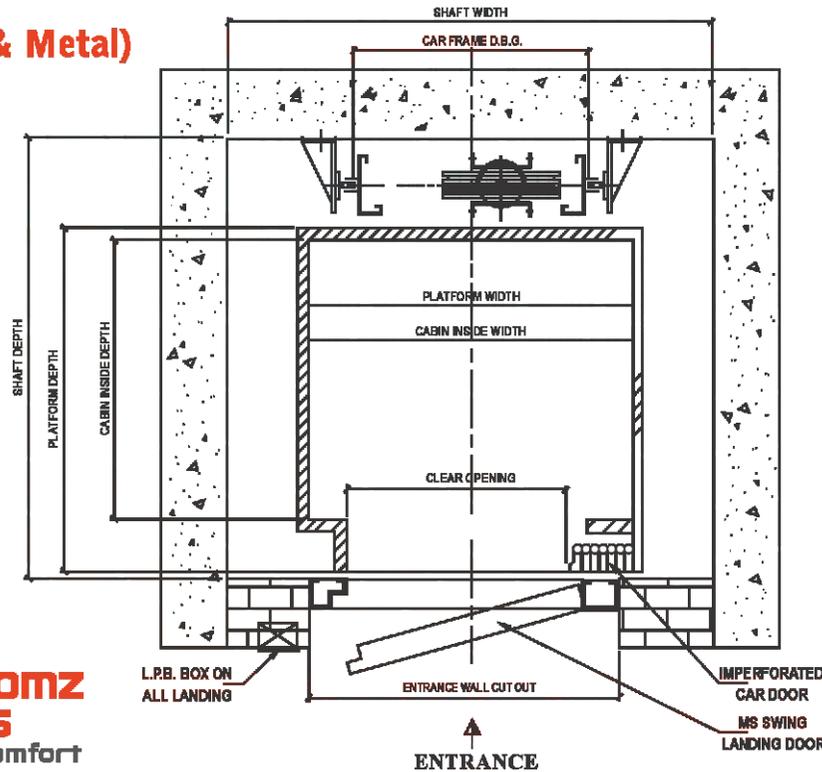

COMPACT DESIGN

- ✧ Requires Machine Room Above The Shaft.
- ✧ Requires Gear Oil To Be Changed With Time & Usage.
- ✧ Requires Upto 30% More Power.

## Villa Elevators (Glass & Metal)

**BH E** **BRIGADE HOMZ**  
**ELEVATORS**  
Enhance Your Comfort

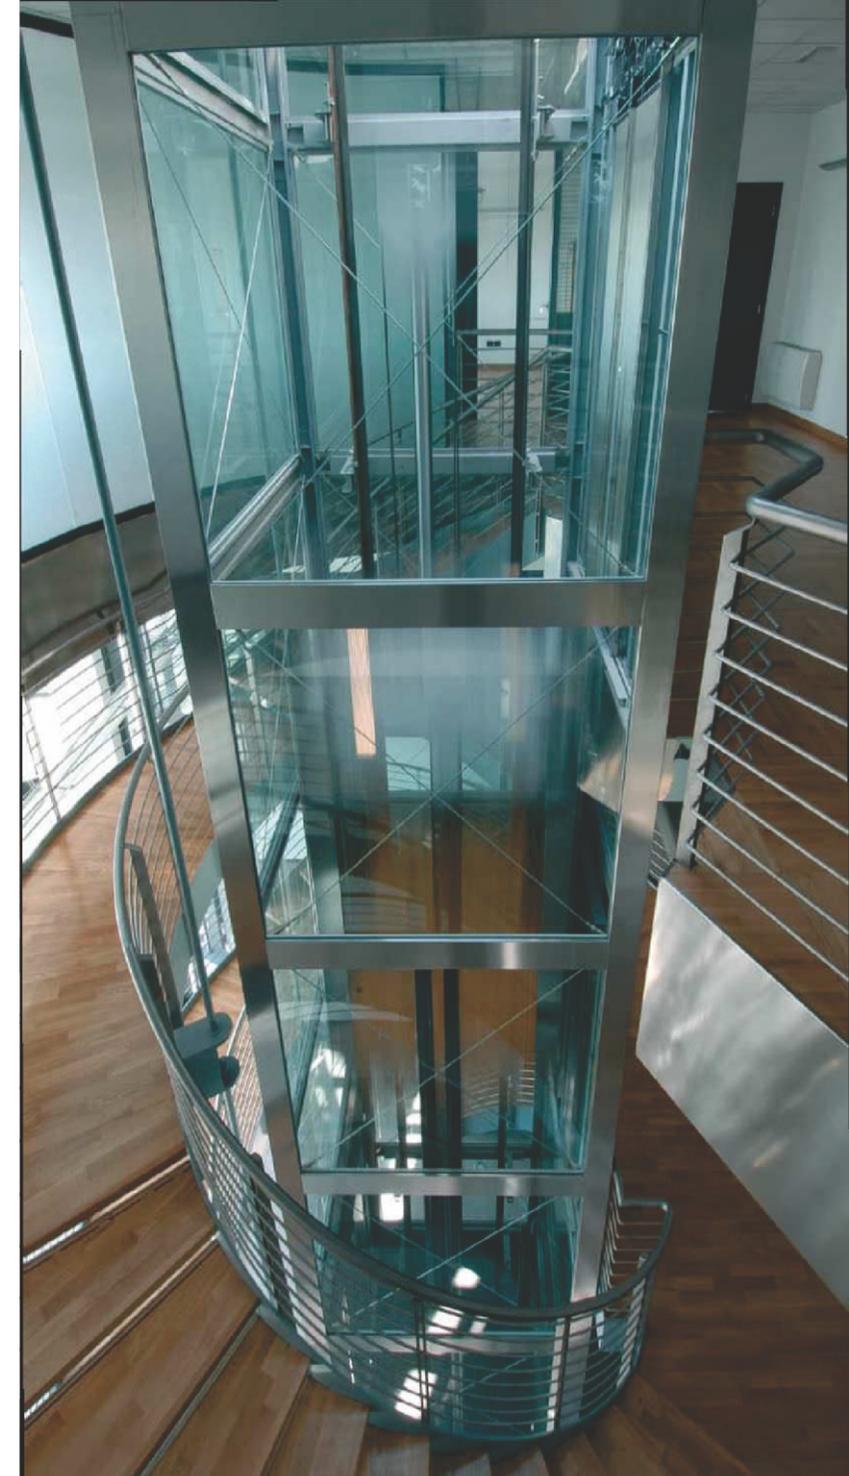

**CROSS SECTION PLAN OF ELEVATOR SHAFT**

**CIVIL DIMENSIONS FOR HYDRAULIC LIFT**

CAPACITY		CAR INSIDE		LIFT WELL		ENTRANCE		MACHINE ROOM SIZE		PIT	OVER HEAD
Pass.	Load in Kg.	Width	Depth	Width	Depth	Width	Height	Width	Depth		
4	272	1100	700	1400	1250	760	2000	2500	2500	1350	3300
5	340	1100	850	1400	1400	760	2000	2500	2500	1350	3300
6	408	1100	1000	1400	1550	760	2000	2500	2500	1350	3300
8	544	1300	1100	1600	1650	800	2000	2500	2500	1350	3300
10	680	1350	1300	1650	1850	800	2000	2500	2500	1350	3300
13	884	2000	1100	2300	1650	900	2000	2500	2500	1350	3300

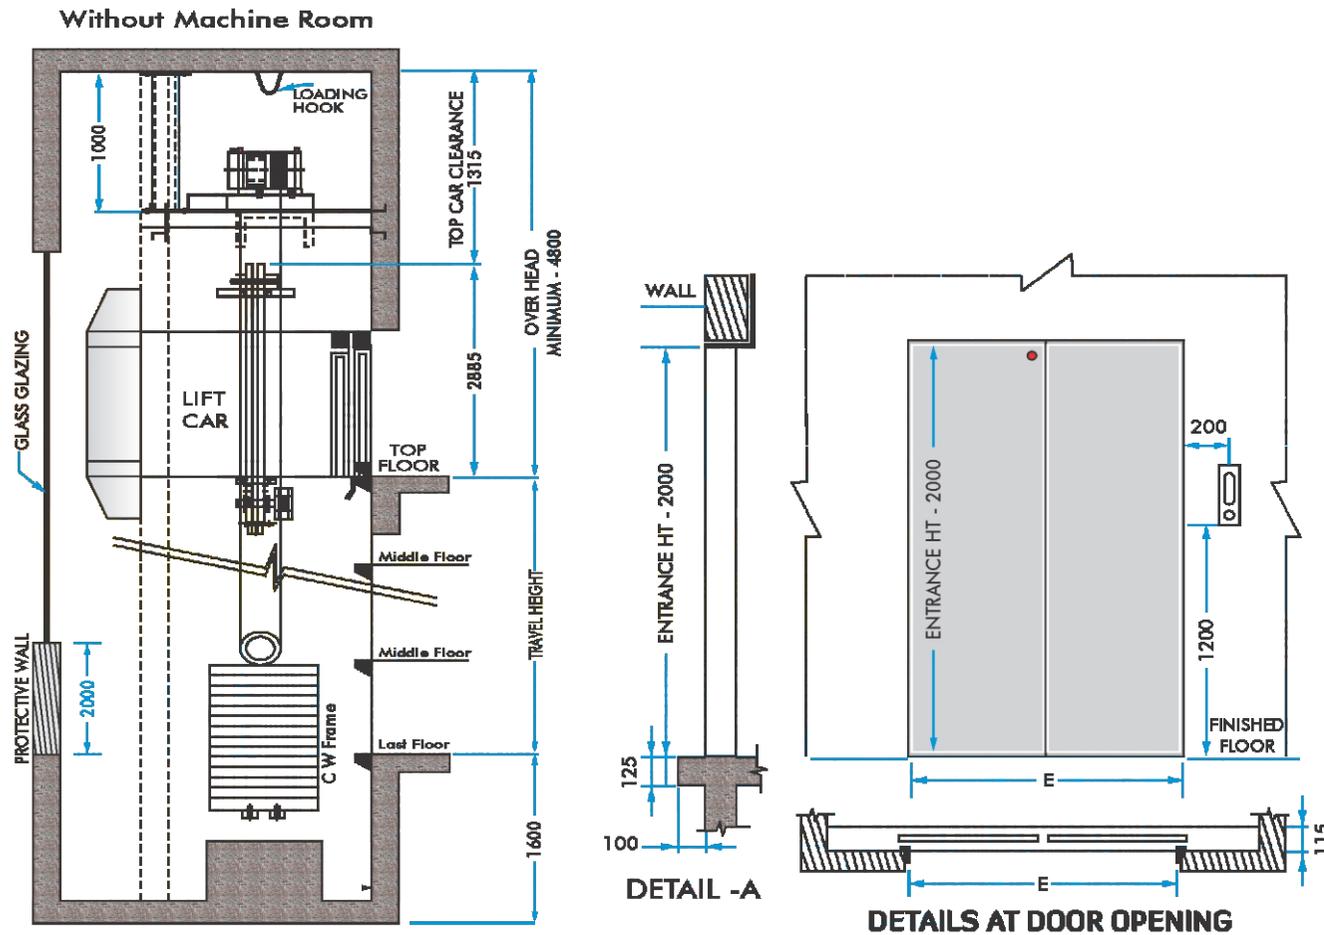

Note:

Pit & Over head dimension subject to change depending on travel height & speed as per I:S 14665 (Part 1) : 2000

## Capsule Lift

Brigade Homz Capsule Elevator act as Architectural highlights on prestigious buildings. They can be called the ornaments of a building as they enhance its beauty and bring life into it. Its design, features and infinite options add to its optimum travel comfort. It has aesthetically attractive interiors with large glass viewing panel. specialised knowledge and our experience over last five years in executing such projects comes handy. Brigade Homz elevators are inspired with creative flair to suit your particular idea.

## Hospital Stretcher Lift Cabins

We offer Hospital Lifts for Hospitals for easy transportation of bulky equipments as well as patients. These are apt to meet the modern day hospital needs. These have sophisticated looks with high functionality. Hospital Lifts are best to carry gurneys, stretchers as well as wheel chairs. We offer these at attractive prices and in various models.

## Human Interface Device

Human interface devices add to the aesthetics of an elevator and we provide you with a class leading options for human interface devices.

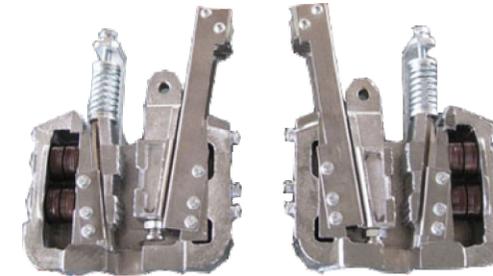

## SAFETY FEATURES

We at Brigade Homz elevators use Enhance safety features with German technologies.

### UCM DEVICE (UNINTENDED CAR MOVEMENT)

- ✦ Protects against Unintended Car Movement caused by snapping of ropes.
- ✦ Works on a double roller.
- ✦ Over speed governor is a device that activates the Unintended Car Movement device in case of the snapping of the ropes.

### OVER SPEED GOVERNOR

- ✦ Centrifugal Over Speed Governor with rope locking system and anti rope slip device used for added safety of the passengers.

### LIGHT CURTAIN

- ✦ We at Brigade Homz elevators adopts the densest infrared light curtain to form a light curtain protection safety net at the entrance of the elevators and can quickly respond to any person or object entering its detection plane.

**Multi-Beam Door Sensor**  
**(Optional)**

### ACCESS CONTROL

- ✦ We at Brigade Homz elevators use German Technology access control for unwanted guests.
- ✦ Unidentified individuals and unknown elements at home and lift by installing premium security systems.
- ✦ Limit the access of people with this smart security system brought to you by Brigade Homz elevators.

The ARD is a newest generation of emergency rescue device for elevator system to guarantee the return of cabinet to the nearest floor or bottom floor and open the door safely in the event of AC mains power failure, also in the case of power problem with lift itself. The smart CPU-based ARD can be installed with any type of control panel of elevator systems, it functions with sealed batteries and free maintenance. Easy installation and safe landing the cabinet for 100% security to the lift's operation.

### AUTOMATIC RESCUE DEVICE(ARD)

## ELEVATOR CONTROLLERS

### Microprocessor with German Technology

Brigade Homz has specially designed controller for smooth running of the elevator with minimal breakdowns.

- ❖ Controller with safety parameters.
- ❖ It is a Microprocessor based control panel.
- ❖ Easily rectifies the problem by digital display.
- ❖ Advance vector control technology allows the elevator integrated drive and controller to offer superior motor speed regulation performance, enabling the elevator to offer passengers the most comfortable feel.
- ❖ Brigade Homz uses PWM dead time compensation technology and dynamic PWM carrier modulation technology, so that the elevators integrated drive and controller reduce noise and motor loss effectively.
- ❖ The elevator integrated drive and controller is designed with closed loop vector controller for higher performance.
- ❖ Zero-speed torque compensation system without load weighing device helps save cost.

### Newly Introducing IOT Technology

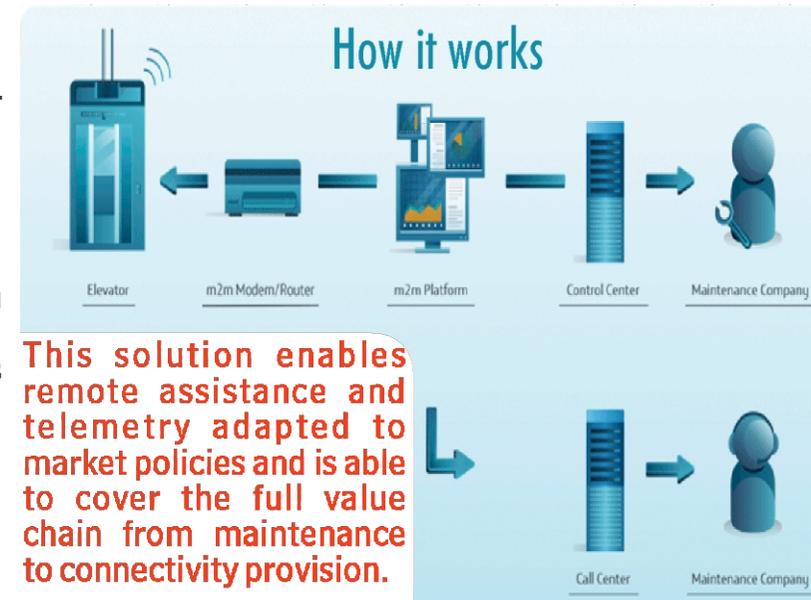

**REDUCE** - Connectivity costs by moving from traditional fixed lines to IOT communications.

**REAL-TIME** - Monitoring and assured connectivity availability.

**IMPROVE** - Operating capabilities and efficiency to obtain real-time accurate information remotely, scheduling of maintenance operations (e.g. based on real working hours) and reduce costs, elevator monitoring, identifying problems and generating alarms proactively.

**CHANGE** - Business Model to provide a full maintenance service covered by supplier.

**OPEN** - Platform to create specific industry applications based on collected information.

## Conceptualizing Innovation

Villa Elevator fits your home seamlessly always  
and yes the original idea was conceptualized by Brigade Homz.

Ever Wondered how would it be if your elevator :

- ✦ Doesn't need a separate machine room.
- ✦ Come with many infill options : safety glass / MS / SS panels
- ✦ No head room!
- ✦ Energy saving
- ✦ ISO 9001 : 2015 certified
- ✦ En81 / 115 german standards!

**Wonder no more.  
Call Brigade Homz elevators and set-up  
a meeting to order your solution today!**
